

**Position:** Diagnostic Radiologist

**Type:** Full-time, Remote

**Location:** United States (Remote)

**Company:** Imaging Specialists PLLC (aka Radsource LLC)

**About Us:** We are a leading teleradiology group committed to providing high-quality diagnostic imaging services. Our team of expert radiologists works remotely to deliver accurate and timely diagnoses, ensuring the best possible care for our affiliates and patients.

**Position Overview:** We are seeking a highly skilled and experienced Diagnostic Radiologist to join our remote teleradiology team. The ideal candidate will have completed a fellowship in Musculoskeletal, Neuro, or MRI radiology and possess at least three years of post-fellowship experience. This is a remote position, allowing you to work from the comfort of your home while collaborating with a dynamic team of professionals.

**Key Responsibilities:**

- Provide subspecialty expertise in musculoskeletal, neuro, or MRI imaging.
- Occasionally interpret and report on other diagnostic imaging studies, including X-rays, CT scans, and MRI.
- Collaborate with referring physicians and healthcare providers to deliver comprehensive patient care.
- Ensure the accuracy and timeliness of diagnostic reports.
- Participate in quality assurance and continuous improvement initiatives.
- Maintain up-to-date knowledge of advancements in diagnostic radiology and related fields.

**Requirements:**

- Medical degree from an accredited institution.
- Completed fellowship in Musculoskeletal, Neuro, or MRI radiology.
- Minimum of three years of post-fellowship experience.
- Board certified by the American Board of Radiology (ABR) or equivalent.
- Valid medical license in the United States.
- Strong proficiency in interpreting a variety of diagnostic imaging studies.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a remote team.
- High-speed internet connection and a suitable remote work environment.

**Benefits:**

- Competitive salary and benefits package to include medical malpractice coverage, 401K, and profit sharing.
- Certified Credentialing Manager to manage and monitor applications, payors, multi-state licensing, renewals, credentialing, and tracking of CME.
- Flexible work schedule and no call rotation.
- Professional development opportunities.
- Collaborative and supportive work environment.
- IT and customer Help Desk Support staff.
- Opportunity to work with cutting-edge technology, imaging tools, and high-quality support staff.

**Application Process:** To apply, please submit your CV, and cover letter detailing your relevant experience, and references to [RadsourceHR@radsource.us](mailto:RadsourceHR@radsource.us) We look forward to welcoming a dedicated and skilled radiologist to our team.

**Imaging Specialists PLLC is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.**
